

Odor Fresh

Description

Odor Fresh is a water based pump spray odor neutralizer. Odor Fresh neutralizes both basic and acidic odors at the same time using its unique chemistry. It is non-flammable, non-toxic, and biodegradable. Odor Fresh contains a pleasant fragrance to replace the odor that has been neutralized. Odor Fresh is safe on all surfaces and contains no alcohol, solvents or propellants.

Application

Odor Fresh is used as supplied in a pump spray bottle to treat airborne odors. Spray mist in desired area to treat airborne odors. Spray mist on surfaces and in the air around the affected surface to treat surface odors.

Physical Properties

- Flash Point: Non-Flammable
- Carrier: Water based
