

Sur-Prep SB642

Description

Sur-Prep SB642 is an all-in-one cleaner, degreaser, polish protectant that can be used on both painted and unpainted substrates to clean the surface and leave a residual gloss and shine. Sur-Prep SB642 can be applied in all types of weather. Sur-Prep SB642 is non-abrasive and is silicone free and is safe on all types of finishes.

Application

Sur-Prep SB642 can be spray applied using the aerosol, trigger sprayer applicators, or pump sprayers for bulk application. It can also be mopped on with a mop or rag soaked with Sur-Prep SB642.

Wipe or spray the Sur-Prep SB642 on to the surface to be treated and then wipe until the area is cleaned. The residual film can be further buffed to a high gloss as necessary.
