LUBRICANTS & LUBRICATING COMPOUNDS

D-5263NS

Product description:

AIRCRAFT CABLE LUBE AND RUST PREVENTIVE

APPLICATIONS

D-5263NS can be used effectively on small guns, machine guns, and precision machine parts

D-5263NS can be used in conjunction with the **Formit®** extensions to provide targeted spray to areas that may be difficult to reach but need to be coated

Bulk application available as **ZC-5263**

Used for the following applications:

- Pylon bearing cleaning prior to lubrication
- Lubrication of safety blocker installation on tail cone work platform
- Other Lubrication Applications
