AIRCRAFT CLEANERS & DISINFECTANTS

CALLA[®] 301A

Product description:

EPA SAFER CHOICE, HEAVY DUTY CLEANING COMPOUND

KEY BENEFITS:

- ▶ Safe on aluminum, magnesium, all structural metals, copper, steel, other metals, quality paints, primers, wiring on motors, and acrylic plastics
- ▶ Does not injure acrylic paint or other paints used on equipment, machines, or automobiles when used as directed.
- ▶ Efficiently removes grease, oils, carbon, hydraulic fluid, dirt, and many soils that resist other cleaners
- ▶ Contains no harmful concentrations of phenols, chromates, or chlorinated and other solvents
- ▶ Rinses easily and leaves no residue or stain even if it dries on the surface

* EPA Safer Choice recognition does not constitute endorsement of this product. The Safer Choice logo signifies that the product's formula, as **Zip-Chem[®]** has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on **Zip-Chem[®]**, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of **Zip-Chem[®]**'s non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Standard and based on current available information and scientific understanding.

SPECS:

- AMS 1526C
- AMS 1550B
- Boeing CSD-1
- Boeing D6-17487
