**ZC-920****Product description:**  
**SILICONE GREASE****KEY BENEFITS:**

- ▶ Increases moisture resistance, special lubricity, release, and sealing properties
- ▶ Excellent on O-rings, valves, regulators, and rubber parts
- ▶ Preserves and lubricates seals and weather stripping
- ▶ Prevents ice build-up between rubber seals and doors
- ▶ Eliminates sticking and gumming of waxes, films, and adhesives
- ▶ Lowers maintenance costs
- ▶ Increases output per machine
- ▶ Removes dried and spilled food stuff

**APPLICATIONS:**

- ✓ Aerosol application available as **D-5920NS**
- ✓ Use **ZC-920** on heat sealing bars and irons to eliminate polyfilm build-up or on conveyor guide rails and bottle scramblers
