

Safety Steps and Procedures To Follow Prior To Applying AN-300D:

- 1.) Always refer to the safety data sheet (SDS) prior to applying **AN-300D**.
- 2.) Always wear gloves and protective eyewear to prevent **AN-300D** from making contact with the eyes and skin.

AN-300D Product Information and Benefits:

- 1.) **AN-300D** is a dark blue deodorizer with a cherry odor that deodorizes lavatory waste water, does not contain any formaldehyde, and imparts a blue color to the rinse water.
- 2.) **AN-300D** is safe to use on toilet tanks and other lavatory equipment, effectively cleans and rinses the toilet bowl, and prevents odor causing bacteria from forming in the toilet bowl.

Areas Where AN-300D Can Be Applied:

Use **AN-300D** in toilet tanks and other lavatory equipment.

Procedure For Applying AN-300D:

- 1.) Use 1 or 2 fluid ounces (29 or 59 mL) of **AN-300D** to one gallon (3.8 Liter) of tank water.
- 2.) Add **AN-300D** to the toilet tank and flush thoroughly through the system.
