

X-200 Instruction Manual

Safety Steps and Procedures To Follow Prior To Applying X-200:

- 1.) Always refer to the safety data sheet (SDS) prior to applying **X-200**.
- 2.) Always wear gloves and protective eyewear to prevent **X-200** from making contact with the skin and eyes.
- 3.) Make sure that there are no sparks, open flames, hot surfaces, or other heat and fire ignition sources in the area where **X-200** will be applied.

X-200 Product Information and Benefits:

- 1.) **X-200** is a safe citrus oil based cleaner that is clear and transparent with a pleasant citrus fragrance used for removing gum from soft surfaces, such as carpets.
- 2.) **X-200** is safe on most surfaces, does not generate harmful fumes, is safe to workers, and is simple to apply.

Procedures For Applying X-200:

- 1.) Use **X-200** on soft surfaces, such as carpets, by applying it as supplied to that surface and rubbing the area with a dry cloth.
