

X-500 Instruction Manual

Safety Steps and Procedures To Follow Prior To Applying X-500:

- 1.) Always refer to the safety data sheet (SDS) prior to applying **X-500**.
- 2.) Always wear gloves and protective eyewear to prevent **X-500** from making contact with the eyes and skin.

X-500 Product Information and Benefits:

- 1.) **X-500** is a highly concentrated, water soluble, and alkaline aircraft exterior cleaner that contains no alcohol, no aromatic, butyl, or alcohol solvents, and no caustic soda.
- 2.) **X-500** is biodegradable, non-flammable, and non-toxic and generates no harmful vapors.

Areas Where X-500 Can Be Applied:

Use **X-500** in toilet tanks.

Procedure For Applying X-500:

- 1.) Add **X-500** to flush water at a rate of **1 part X-500 to 4 parts** water for general cleaning.
- 2.) Add **X-500** to the toilet tank and flush thoroughly through the system.
- 3.) Empty the tank and charge it with fresh water, followed by a 1% dilution of the toilet tank deodorant, **AN-300D**.
