

Safety Steps and Procedures To Follow Prior To Applying D-5922NS:

Always refer to the **safety data sheet (SDS)**, **technical data sheet (TDS)**, and **label** prior to applying **D-5922NS** if you have any questions about this product.

Always wear gloves, protective clothing, and protective eyewear to prevent **D-5922NS** from making contact with the skin and eyes.

Make sure there is proper airflow in the area where **D-5922NS** will be applied and always wear a proper mask to prevent the inhalation of fumes from **D-5922NS**.

Keep **D-5922NS** away from any sparks, open flames, or other combustible resources.

Always have adequate lighting to see where **D-5922NS** is being applied and to inspect areas for contamination and rework prior to applying **D-5922NS**.

D-5922NS Product Information and Benefits:

D-5922NS is an aerosolized form of the Aeroshell® 22 Grease, a versatile and multi-purpose microgel that is a thickened, synthetic, and hydrocarbon oil that is corrosion-inhibited and heavily fortified against oxidation, useful from **-85°F to 400°F (-65°C to 204°C)**, and contains an amber color.

D-5922NS contains high water resistance, superior anti-wear properties, and load carrying capacity.

Places Where D-5922NS Can Be Applied On and Purposes Of Applying It:

D-5922NS can be used on engine accessories and general anti-friction bearings that operate at high speeds in high and low temperatures.

D-5922NS can also be used for the purpose of lubricating airframes.

D-5922NS is recommended if long retention and high water resistance is desired in an environment.

D-5922NS Application Procedures:

D-5922NS can be applied with the following application methods:

- *Aerosol Cans
- ***Formit®** Extension Wands-For use with all **Zip-Chem®** aerosols to reach difficult to access areas, such as stringer edges.
- ***Zip-Chem®** Aerosol Trigger Sprayer that is designed for use with any **Zip-Chem®** aerosol can
- *Please reach out to a **Zip-Chem®** application expert for tips on how to properly apply **D-5922NS**.

- ***Formit®** 360° Spray (White Tube) Wand
- ***Formit®** Fan Spray Spray (Blue Tube) Wand
- ***Formit®** 180° Spray (Black Tube) Wands
