

Safety Steps and Procedures To Follow Prior To Applying ZC-4079:

Always refer to the **safety data sheet (SDS)**, **technical data sheet (TDS)**, and **label** prior to applying the **ZC-4079** if you have any questions about this product.

Always wear gloves, protective clothing, and protective eyewear to prevent **ZC-4079** from contacting the skin and eyes.

Make sure there is proper airflow in the area where the **ZC-4079** will be applied and wear a proper mask to prevent the inhalation of fumes from **ZC-4079**.

Ensure that there is adequate lighting available to see where **ZC-4079** is being applied, inspecting surfaces prior to applying **ZC-4079**, and for addressing areas of contamination and rework prior to applying **ZC-4079**.

ZC-4079 Features and Benefits:

ZC-4079 is a colorless **epoxy dissolver** and **general-purpose clean-up solvent** that vaporizes at a **low heat level**.

ZC-4079 is excellent as a **general-purpose clean-up solvent** on **metal components** and performs a variety of tasks, such as paint stripping, urethane foam blowing, salvaging encapsulated or potted components, and removing the cured epoxy and urethane mixing.

ZC-4079 and can be recovered and reused and can be cost-compared with other petroleum solvents.

ZC-4079 Application Procedures:

Immerse epoxy in **ZC-4079** so that it will slowly soften and slough off substrates and **heat** the epoxy to **86°F (30°C)** to **accelerate** the process of **dissolving** it..

To **reduce** the **evaporation** of the epoxy, **pour** a **layer** of **water on top** of the **ZC-4079**.

Please reach out to a **Zip-Chem®** application expert for tips on how to properly apply **ZC-4079**.

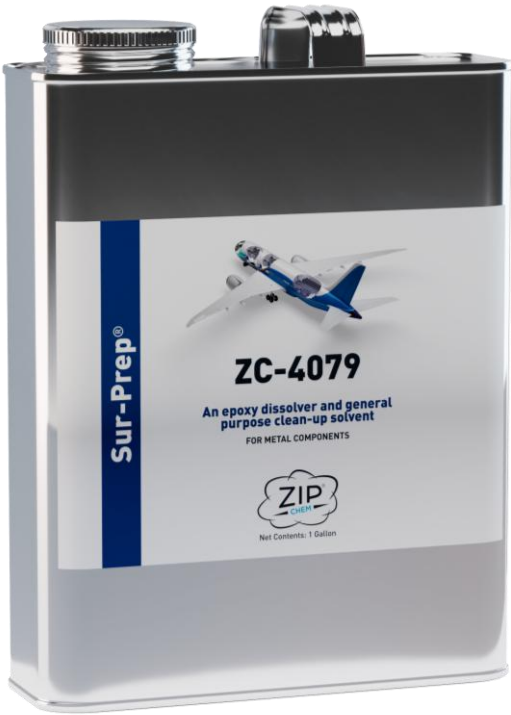

ZC-4079 Packaging Pictures and Other Materials To Purchase:

ZC-4079

- *Case of 4 each Gallon (4 each of 3.8 Liter) Cans-**005029**
- *5 Gallon (18.9 Liter) Pail-**005028**
- *55 Gallon (208 Liter) Drum-**002313**
- *Special packaging upon request

Gloves	Protective Eyewear	Protective Clothing
Proper Mask	Ventilation Equipment	Lighting Equipment
Cloths, Rags, Towels, and other proper wiping devices		

Spill Containment Vessels and other proper devices for collecting runoff material

ZC-4079 16 fl oz (473 mL) Aerosol
